Finger Lakes Region, Sports Car Club of America

Finger Lakes Region, Sports Car Club of America Fun One Regional Races

The event was held at Watkins Glen International, with the sessions on Saturday run on the "long" 3.4 mile course. On Sunday, the "short" 2.45 mile course was used. The event occurred on September 17th and 18th of 2022. The weekend consisted of eight (8) race groups. Groups 1-6 used a sanction number of 22-R-57193. Race group 7 and 8 used the sanction of 22-VINT-58321.

On Saturday morning, each race group was scheduled to have a 20 minute qualifying session. The schedule was very tight, and the sessions were shortened to 17 minutes. Following qualifying, each group had a 25 minute race that was based on the earlier qualifying results. Group 1 ran to the 25 minute length, but all groups following had their session length shortened to 22 minutes. Group 3 had their race shortened due to an on-track incident. On Sunday morning, each race group had a 20 minute qualifying session that was shortened to 17 minutes again. Following qualifying, each group had a scheduled 25 minute race that was based on the earlier qualifying results. These were shortened to 22 minutes as well. Group 2 had an early checker. Group 3 had a black-flag all on lap 5, so a re-grid from lap 4 running order was necessary. The clock was stopped to allow the competitors to get at least a few more laps under green.

The timing and scoring group was staffed with 8 all weekend. The timing and scoring crew was great, and I look forward to working with everyone next year!
